Minutes of the Meeting held on 28th April, 2016 for approval of Annual Work Plan & Budget 2016-17 of Uttarakhand under the Centrally Sponsored Scheme of the Integrated Rashtriya Madhyamik Shiksha Abhiyan (RMSA).

A meeting of the Project Approval Board (PAB) to consider the Annual Work Plan & Budget 2016-17 of the state of Uttarakhand was held on 28th April, 2016, under the Chairmanship of Dr. S. C. Khuntia, Secretary (School Education & Literacy).

2. The list of participants who attended the meeting is at **Annexure-I**.
3. Secretary (SE&L) welcomed the participants. In his opening remarks, he appreciated the efforts of the State and the overall progress made by the State under RMSA. DS (RMSA-III) highlighted the overall status of secondary education scenario in the State, areas of concern and details of the proposal of Annual Work Plan & Budget (AWP&B) for 2016-17. A copy of Presentation is at **Annexure-II**.

Discussions were held on the areas of concern, point-wise, as follows:

3.1 Slow progress of civil works:

3.1.1 Under RMSA, out of 280 previously approved new schools, construction of 175 schools has been completed with a completion rate of 62.5%. Construction work is still under progress in 91 schools and construction work of 14 schools is yet to be taken up.

Secretary, Government of Uttarakhand stated that the implementation of civil works was slow mainly due to unsuccessful tender process owing to the remote area conditions and also there was no separate agency to take up the civil works.

Secretary (SE&L) advised the State that a Nodal Officer for RMSA may be appointed in the State PWD Department for civil works pertaining to RMSA so that the pending civil works are expedited. Secretary, Government of Uttarakhand stated that the state has decided to deploy a dedicated civil wing for Education Department. The implementation of the civil works will pick up during the current year 2016-17.

Secretary (SE&L) stated that the State should ensure the completion of pending civil works in 91 schools by December, 2016 and remaining civil works may be taken up on

priority basis. Secretary, Government of Uttarakhand assured that the State would strive to complete the pending works by the said time.

Secretary (SE&L) stated that a mid-term review of the implementation of civil works in the State may be undertaken by the Ministry during the current year 2016-17.

3.1.2 Secretary, Govt of Uttarakhand proposed for cancellation of 28 schools (approved in 2009-10, 2010-11, 2013-14 and 2014-15 for strengthening) and 19 new schools (approved in 2009-10, 2010-11, 2011-12 and 2013-14). Due to escalation in cost of construction, the state proposed for revalidation of 22 schools under strengthening component and 18 new schools out of the aforesaid proposed cancellations.

PAB approved the cancellation and revalidation of these schools.

3.1.3 Under Girls Hostel, the State has 19 EBBs and Girls Hostels have been approved in all EBBs. The construction of 13 Girls Hostels has been completed with a completion rate of 68.42%. Presently, 18 Girls Hostels are functional and are running in KGBVs with strength of 530 girls.

Secretary (SE&L) advised the State to make the Girls Hostels functional in their own buildings so that they can run on full capacity and fully benefit the girl students in the State. Secretary, Government of Uttarakhand assured that the completed 13 Girls Hostels would be made functional during the coming academic session with full capacity. The remaining 6 Girls Hostels would be completed by end of 2016-17. However, all 19 Girls Hostels would be functional during 2016-17.

3.1.4 Under ICT@Schools, 625 schools have been approved till date. State has implemented the scheme in 125 schools under outright purchase model and completed 5 years of implementation. During 2010-11, 500 schools were approved on BOOT Model. The Scheme has not yet been implemented in these 500 schools.

Secretary, Government of Uttarakhand stated that due to failure of tenders owing to the non-receipt of applications from bidders, the scheme of ICT could not be implemented in these schools. Now, the tendering process is in final stage for these 500 schools and the scheme would be implemented by June, 2016. If the tendering process is unsuccessful, the State would surrender these 500 ICT schools.

3.1.5 Under Vocational Education, 80 schools have been approved with 6 trades i.e. IT/ITes, Retail, Healthcare, Beauty & Wellness, Travel & Tourism and Automobile. The State is yet to implement the scheme.

Secretary, Government of Uttarakhand stated that tenders have been unsuccessful due to non participation of minimum number of bidders. Only single bidder had participated in the tender process. Now, tender has been re-issued for the 80 schools and the scheme would be implemented in 2016-17.

120 new schools were approved by the PAB for implementation of vocational education with 5 trades of IT/ITes, Retail, Healthcare, Beauty & Wellness and Travel & Tourism.

Secretary(SE&L) advised the state to implement the scheme with the help of empanelled Vocational Training Partners (VTPs) for fresh approvals.

3.2 Educational Indicators :-

- In 2015-16, the overall enrollment has decreased by 9746 (2.45%) from previous year.
- GER has decreased from 90.35% in 2014-15 to 85.37% in 2015-16.
- NER has increased from 49 % in 2014-15 to 51.28% in 2015-16.
- The dropout rate has decreased from 13.54% in 2014-15 to 12.65% in 2015-16.
- The Transition rate has decreased from 94.9% in 2014-15 to 93.93% in 2015-16.
- The Retention rate has increased from 86.46% in 2014-15 to 87.35% in 2015-16.
- Pupil Teacher Ratio (PTR) in the state is 13 in 2015-16.

Secretary (SE&L) enquired about reasons for zero enrolment in 29 schools of the State. Secretary, Govt of Uttarakhand stated that due to non-deployment of teachers in these schools, there is zero enrolment. He further stated that the State Govt is going to evaluate the position of these schools and if necessary, the unviable schools would be closed.

Secretary (SE&L) also pointed out the decrease in the enrolment in the State. Secretary, Govt of Uttarakhand stated that data was incorrect in the UDISE of previous year 2014-15 and the same has been rectified.

Secretary (SE&L) raised concern about the drop in GER and advised the State to have GER of 100% and ensure that every student passing class 8 should get enrolled in class 9.

Secretary (SE&L) pointed out the existing vacancies of Headmasters in the State. He stated that the role of Headmaster is critical for effectiveness in quality of teaching and development of a good school. A Headmaster should be well equipped in management & leadership skills. He advised the State to initiate the process of direct recruitment of Headmasters through departmental examination as is done by Kendriya Vidyalaya.

Secretary, Govt of Uttarakhand assured that they would take up the matter with the State Government for change in service rules as presently Headmasters are being appointed on promotion basis.

Secretary, Govt of Uttarakhand also intimated that appointment of subject teachers against the vacant posts would be completed by the next month as the final list of selected candidates has been received by the Education Department for appointment. **Secretary (SE&L) advised the State to ensure that subject teachers are appointed in each school.**

3.3 Other issues:

3.3.1 Secretary (SE&L) advised the state to complete the electrification of all the remaining 217 secondary schools in the State by August, 2016. He also asked the state to complete 100% Adhaar enrolment of students in campaign mode.

3.3.2 NCERT shared figures of performance of students of class X in the State as per the National Achievement Survey (NAS). The performance of the students in all subjects and particularly in English was below the National mean.

Secretary (SE&L) advised the State to improve the quality of teaching in the schools. Secretary, Govt of Uttarakhand stated that a programme titled Learning Level Assessment has been initiated to assess performance of the students in each school to improve the standards of teaching.

3.3.3 Secretary, Govt of Uttarakhand requested for financial support to the Project Unnati wherein the functional and soft skills in English language of the students from class 9 onwards are developed through supplementary classes. The Project helps to prepare the students to take up academic, professional and life challenges ahead of them in a more confident manner. The introduction of this project has helped in changing the perception regarding govt. schools vis-a-vis private schools resulting in better retention.

PAB approved the support for Project Unnati to 50% of the government secondary schools i.e. 1115 schools in the State.

3.3.4 Secretary, Govt of Uttarakhand also intimated that state has undertaken an innovative programme on hands-on learning and promoting science and technology through educational tools. He requested funds for issuing STEM kits to students in the schools.

Secretary (SE&L) stated that Science and Maths kits are being provided under RMSA and expenditure on proposed STEM kits may be met by the State through their own resources.

Issues

ICT:

- State has not implemented the 500 (out of 625) schools which were approved in 2010-11

VE:

- The state has not been able to make vocational education functional in the 80 schools. The state has initiated the tender process third time for tool equipment and training provider. As on date there is 100% spill over

GH:

- State needs to increase girls' enrolment in hostel (Only 530 girls are enrolled in 19 hostels against 1900 beds.)

Thank You

Dipta
